

Use to make a transparency and place over maps to find the Section numbers.

The *NatureMapping* Program

Mapping Grids for Township/Range/Section

For 1:100,000 scale maps

6	5	4	3	2	1
7	8	9	10	11	12
18	17	16	15	14	13
19	20	21	22	23	24
30	29	28	27	26	25
31	32	33	34	35	36

Map's Township number along either side of the map aligned here

Map's Range number along either the top or bottom of the map aligned here

Scale 1:150,000
(For the DeLorme Atlas)

6	5	4	3	2	1
7	8	9	10	11	12
18	17	16	15	14	13
19	20	21	22	23	24
30	29	28	27	26	25
31	32	33	34	35	36

Map's Township number aligned here

Scale 1:24,000 (USGS Maps)
aka 7.5 minute quad map
the size of one Section

Maps' Range number aligned here
